

ROMAIN MULLER

Romain has 35 years experience in the financial sector, mainly in investment fund services. During his career he held leading responsibilities in the areas of the investment fund business as well the banking industry. He is specialized through the pan-European investment fund market, mainly with a client delivery approach and with a business development focus.

Romain acts as an independent director covering the requirement of physical presence in Luxembourg and global supervision.

Romain acts also as an independent advisor in the investment fund industry. His key activities are related to international business development, develop opportunities to distribute funds on a cross-border basis and to evaluate business opportunities with potential clients.

In his last position, Romain was working as a Senior Vice President within KNEIP Communication S.A. in Luxembourg, where he focused the strategic business development with major international clients. He was also responsible in setting up successfully a new “Fund Reporting business line”.

In his position before, he was based in Paris as Managing Director and Director for Continental Europe for Standard & Poor’s Fund Services Sarl. He was also “Administrateur Délégué” at Micropal Luxembourg S.A. (acquired by Standard & Poor’s). Before joining Standard & Poor’s, he was General Manager at CCLux (Centrale de Communications Luxembourg S.A.- Fundsquare today), a company launched by the Luxembourg Stock Exchange and 30 major financial institutions in Luxembourg. Before that, he was Head of Support & Control of the Investment Fund Department at Banque Générale du Luxembourg S.A., where he started his career.

Romain is married, has three children, speaks 4 languages and lives in Luxembourg.
